

WARDYŃSKI & PARTNERS

Management of a law firm in times of crisis

6 November 2008, Sofia

Tomasz Wardyński

Management of a law firm in times of crisis

- Need for a broader approach to risk management
- Identifying the risk
- Down sizing

Management of a law firm in times of crisis

- Need for capitalization and proper financial management
- Need for serious attention to HR issues – competitive remuneration and training schemes, sound strategy and planning
- Internal recruitment
- Investment in know how management

WARDYŃSKI & PARTNERS

Management of a law firm in times of crisis
